## OBJECTIVE

"A Meticulous React developer, skilled at building user interface components using the React JavaScript library including creating reusable UI elements, such as forms and buttons, and integrating them into the overall application. An excellent listener, with the ability to assess and help in tough situations."

## EDUCATION

**BBA in Computer Applications** 2021  
Savitribai Phule Pune University  
63.25

**Higher Secondary Certificate** 2015  
Kolhapur Divisional Board  
52.31

**Secondary School Certificate.** 2013  
Kolhapur Divisional Board  
75.60

## EXPERIENCE

**Analyst** 14/February/2022  
KPMG Assurance and Consulting Services LLP - 19/July/2023

"Worked in this organization as a Background Verification Analyst, responsible for verifying the credentials of potential employees for companies. This process involved collecting and meticulously verifying information about an individual's background to ensure accuracy and compliance. Maintained strict confidentiality and adhered to industry standards to deliver reliable results."

**React.js Developer** 27/July/2023 -  
Megsys Digital Private Limited Present

"Built reusable components and front-end libraries for future use. Provided code documentation and other inputs to technical documents, and conducted thorough code reviews. Developed new user-facing features using React.js, ensuring optimal performance and scalability. Guided the development and design of client services and projects, collaborating closely with cross-functional teams."
